

THE DIRECTOR OF
CENTRAL INTELLIGENCE

•National Intelligence Council

29 March 1983

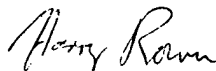

Vice Admiral Thomas Bigley
D/J5
Plans and Policies
US Navy
Room 2E996 Pentagon

Dear Admiral Bigley:

I think you will find this assessment on Mexico by one of my senior specialists both timely and provocative.

The Director, who asked for the analysis, has already forwarded copies to Secretaries Shultz, Weinberger, and Regan, and to Judge Clark.

Sincerely,

Henry S. Rowen
Chairman
